Q-CODE Q6 QUALITY REQUIREMENTS

The following are the quality requirements for product purchased under Q-code Q6. Unless a written waiver is received from Plexus, the supplier agrees to abide by the quality requirements listed below.

ALL Shipments-The documentation and quality requirements for each shipment of parts are as follows:

A. All cartons, required documentation, labels and packaging must have part number, EC level or revision, quantity and P.O. number listed on them.

All the above listed documentation must be submitted with each shipment. Any shipment received without this documentation will be considered defective.

Product change notification

Upon acceptance of conforming product, documentation, and the requirements of this Q-code, the supplier's manufacturing process shall be considered "qualified". All changes require written approval from Plexus prior to implementation. Product or Process change notification requests (PCNs) shall be submitted to pcns@plexus.com.
