Q-CODE Q26 QUALITY REQUIREMENTS FOR EXPORT CONTROL

The following are the quality requirements for product purchased under Q-code Q26. Unless a written waiver is received from Plexus, the supplier agrees to abide by the quality requirements listed below.

Shipments and handling of Export Controlled Items, Data, or Services – Supplier will be required to meet the documentation and quality requirements as follows:

- A. The Supplier agrees to comply with The Arms Export Control Act, 22 U.S.C. 2751-2794, the International Traffic in Arms Regulation (ITAR), 22 C.F.R. 120 - 130, the Export Administration Act, 50 U.S.C. app. 2401-2420, and the Export Administration Regulations, 15 C.F.R. 730-774 for this product, all specifications, and associated documentation. This includes, but is not limited to:
 - Export controlled items, data, or services, or any element thereof, will not be exported from the United States without U.S. Government authority and the express written authorization of a Plexus ITAR Empowered Official.
 - Export controlled items, data, or services, or any element thereof, will not be transferred or disclosed to foreign persons including transfer to foreign persons employed by or associated with, or under contract to Sub-tier suppliers including transportation carriers.
 - Import Licenses will be provided with all shipments where applicable.
- B. Quality Code 21 Requirements – For all shipments of Programmed parts, also complete the requirements of Q21.
- C. Quality Code 3 Requirements – For all shipments of Custom Engineered Components, also complete the requirements of Q3.
- D. Quality Code 22 Requirements – For all shipments of PCBs, also complete the requirements of Q22.
- E. All cartons, packing slips and C.O.C.'s must have part number, EC level or revision, quantity and P.O. number listed on them.

The above listed documentation must be submitted with each shipment. Any shipment received without this documentation will be considered defective.

Product change notification

Upon acceptance of conforming product, documentation, and the requirements of this Q-code, the supplier's manufacturing process shall be considered "qualified". All changes require written approval from Plexus prior to implementation. Product or Process change notification requests (PCNs) shall be

Quality Code Q26

submitted to pcns@plexus.com.
