Q-CODE Q5 QUALITY REQUIREMENTS

The following are the quality requirements for product purchased under Q-code Q5. Unless, a written waiver is received from Plexus, the supplier agrees to abide by the quality requirements listed below.

ALL Shipments-The documentation and quality requirements for each shipment of parts are as follows:

A. <u>Certificate of Compliance</u>.

B. All cartons, packing slips and C.O.C.'s must have part number, EC level or revision, quantity and P.O. number listed on them.

The above listed documentation must be submitted with each shipment. Any shipment received without this documentation will be considered defective.

Product change notification

Upon acceptance of conforming product, documentation, and the requirements of this Q-code, the supplier's manufacturing process shall be considered "qualified". All changes require written approval from Plexus prior to implementation. Product or Process change notification requests (PCNs) shall be submitted to pcns@plexus.com.
